

## AHIMA Members:

Take advantage of the tangible benefits of your AHIMA Membership—focused on content, community, and career advancement. Let's all become better health information (HI) professionals and, together, elevate the HI profession and improve healthcare and health in our communities.

In addition to member exclusive **discounts on re-certification fees...**

### Top 10 Reasons for Being an AHIMA Member:

1. Complimentary and reduced-fee opportunities to earn continuing education units (CEUs) to maintain your credential(s)
2. Our [Career Assist Job Board](#) where members enjoy priority listing in employer searches and early access to job postings
3. Career-advancement resources including resume reviews, career coaching, interview guidance, materials, webinars, classes, and more

4. [Access](#)—our members-only online community platform—where you can engage with AHIMA, HI experts, and fellow HI professionals and build your professional network
5. Membership in local component association (CA), which offer local connections, events, and engagement opportunities
6. Discounts on AHIMA in-person events, including the Advocacy Summit and our annual conference

7. Free, quarterly member-only webinars on timely topics, worth one CEU
8. Members-only articles in the Journal of AHIMA, which keep you current on the rapidly changing HI ecosystem
9. Toolkits and Practice Briefs that ensure you stay abreast of emerging issues and best practices
10. Announcing our new member newsletter

*AHIMA & YOU* is our new member-exclusive monthly newsletter featuring the latest news and content in HI, member spotlights, career resources, upcoming events—everything you need to know as an HI professional will be delivered to your inbox once a month.
